

AntiOxidant Blend

1201 US Highway 1 Ste 46
North Palm Beach, FL 33408 USA
888-561-HEAL(4325)

Clinical Applications

- Provides Nutrient-Dense Superfoods, Fiber, Probiotics, and Digestive Enzymes*
- Provides a Concentrated Source of Antioxidant-Rich Phytonutrients*
- Contains Standardized SGS™ From Broccoli Seeds for Antioxidant and Detoxification Support*
- Promotes Optimal pH Levels in the Body*

*AntiOxidant Blend is a convenient powdered formulation providing key nutrients to support a healthy lifestyle. This comprehensive formula incorporates an innovative blend of organic greens, vegetables, fruits, berries, phytonutrients, organic fiber sources, probiotics, and digestive enzymes. AntiOxidant Blend also features OxyPhyte®, a bioavailable, antioxidant-rich blend of green tea and apple extracts. In addition, SGS™ broccoli seed extract with standardized glucoraphanin content is present to provide long-lasting antioxidant support. This nutrient-dense formula features concentrates from “superfoods” known to provide phytonutrients and antioxidants that play important roles in maintaining our health and well-being. AntiOxidant Blend is lactose-free and suitable for vegans.**

All New Foundation Medicine Formulas Meet or Exceed cGMP Quality Standards

Discussion

New Foundation Medicine's AntiOxidant Blend is formulated to provide a convenient source of indispensable phytonutrients, antioxidants, fiber, and digestive enzymes to complement a healthy diet and lifestyle.^[1-5] A colorful blend of organic health-promoting “superfoods” have been incorporated into this all-natural greens and reds drink for their phytonutrient content and support of antioxidant activity.^[6] SGS™ from broccoli seed extract is added for long-lasting antioxidant and detoxification support. Probiotics, fiber, and digestive enzymes augment gastrointestinal health, absorption, and utilization of nutrients in this comprehensive superfood blend. Organic flavoring and natural sweeteners (stevia and Luo Han Guo) make AntiOxidant Blend not only healthful but great tasting, as well.*

Organic Fiber Blend Organic gum acacia, inulin, and flaxseeds provide a total of 3 g of dietary fiber per scoop of AntiOxidant Blend to support gastrointestinal function and probiotic activity as well as to assure multiple health benefits from increased dietary fiber intake.*^[7]

Organic Greens and Veggies Blend Organic carrots, green cabbage, broccoli, beets, chlorella, and spinach provide concentrated sources of folate, chlorophyll, carotenoids, and a multitude of phytonutrients that promote health and fight disease.^[8,9] The greens in AntiOxidant Blend are naturally alkalizing. An alkaline pH is needed for optimal metabolic, enzymatic, repair, and immune functions in the body.*

Antioxidant Support Ascorbic acid, organic astragalus root, organic ginger root, and organic lycium berry extract provide an antioxidant-rich foundation to protect tissues from free-radical damage and promote cellular health. OxyPhyte® Ultra Blend (white tea leaf extract, apple fruit extract, and rosemary leaf extract) provides antioxidant support. In fact, in a preclinical bioavailability trial, results suggested that this blend increased serum antioxidant levels in human subjects.*^[10]

Organic Fruits and Berries Blend Organic apple juice powder, strawberry juice powder, sea buckthorn juice powder, açai, acerola fruit extract, plum fruit extract, and blueberry concentrates provide additional antioxidant capacity and health-promoting phytonutrients.*

SGS™ Broccoli Seed Extract SGS provides a concentrated source of sulforaphane glucosinolate, also known as glucoraphanin. Glucoraphanin is a phytochemical precursor to sulforaphane, a naturally occurring isothiocyanate in broccoli that supports and promotes antioxidant and detoxification activity.^[11,12] Scientists at Johns Hopkins University School of Medicine identified glucoraphanin (GR) and sulforaphane (SFN) as the “missing links” that correlate a diet rich in cruciferous vegetables with the maintenance of good health. Broccoli sprouts and seeds provide higher concentrations of GR than the mature vegetable.^[13,14] Glucoraphanin is converted to SFN via the action of myrosinase, an enzyme in broccoli that is released during chewing, cutting, or slicing. Microorganisms can also convert GR to SFN; the presence of probiotics and broccoli in AntiOxidant Blend may enhance this conversion in the body. Research suggests that GR and SFN provide long-lasting antioxidant and detoxification support that may improve overall health and well-being.*

Digestive Support Blend Probiotic organisms *L acidophilus*, *B longum*, *L casei*, and *L rhamnosus* are present to maintain a healthy gastrointestinal microflora. A healthy microflora provides gastrointestinal and immune support and helps to moderate and eliminate pathogenic bacteria. Digestive enzymes (protease, amylase, bromelain, cellulase, lactase, papain, and lipase) in AntiOxidant Blend assist in the breakdown of carbohydrates, fats, proteins, and lactose to enhance nutrient digestion and availability.*

AntiOxidant Blend can be consumed by itself or as an accompaniment to any smoothie or protein drink. The inclusion of phytonutrient-rich superfoods, OxyPhyte Ultra Blend, and SGS creates an innovative and ideal formula for antioxidant support.*

Supplement Facts

Serving Size: 1 Scoop (8 g)
Servings Per Container: 30

	Amount Per Serving	%DV*
Calories	20	
Total Carbohydrate	7 g	2%
Dietary Fiber	3 g	12%
Sugars	1 g	++
Vitamin C	300 mg	500%
Organic Fiber Blend (organic gum acacia, organic inulin, organic flaxseed)	4,150 mg	**
Organic Greens and Veggies Blend (organic carrot, organic green cabbage, organic broccoli, organic beet, organic chlorella, organic spinach)	1,360 mg	**
Antioxidant Phytonutrients Blend (ascorbic acid, OxyPhyte® Ultrablend (organic green tea leaf extract and organic apple fruit extract), organic astragalus root, organic ginger root, organic lycium berry extract)	1,010 mg	**
Organic Fruits and Berries Blend (organic blueberry, organic apple juice powder, organic strawberry juice powder, organic sea-buckthorn juice powder, organic acai (<i>Euterpe oleracea</i>), organic acerola fruit extract, and organic plum fruit extract)	875 mg	**
Digestive Support Blend (probiotics (<i>L. acidophilus</i> , <i>B. longum</i> , <i>L. casei</i> , <i>L. rhamnosus</i>) and enzymes (protease, amylase, bromelain, cellulase, lactase, papain, lipase))	20 mg	**
Glucoraphanin (from broccoli extract)(<i>Brassica oleracea italica</i>)(seed)(SGS™)	5.2 mg	**

* Percent Daily Values are based on a 2,000 calorie diet.
** Daily Value (DV) not established.

Other Ingredients: Organic flavors, organic stevia leaf extract, and organic Luo Han Guo fruit extract.

Produced under US patents 5,725,895; 5,968,505; 5,968,567; 6,177,122; and 6,242,018 licensed from Brassica Protection Products LLC; SGS is a trademark of Brassica Protection Products.

Directions

Blend, shake, or briskly stir one level scoop (8 g) of AntiOxidant Blend into 6-8 fl oz chilled water, or as directed by your healthcare practitioner. Adjust amount of water to desired sweetness and/or thickness.
